We know  
how hard  
you work,  
and we're  
here to  
help!

Our mission is to make you look good when planning any meeting, event or office lunch. I'd like to introduce you to our corporate lunch package, that takes the guess work out of menu planning!

Please do not hesitate to get in touch with any specific requests. We look forward to hearing from you soon!

\*minimum \$350 order before tax, disposables available for an additional \$2.50pp.

## EXECUTIVE MENU

Here is a sample of the style of menu that we look forward to bringing you. You are always welcome to select your own menu items, but we happy to help, ensuring that every new lunch order is different from the one before.

We always include a few vegetarian sandwiches with every order, over and above the set menu. Delivery and set up is always included, and is done by our catering staff on site, so everything is always beautifully presented and wonderfully fresh.

The menu is always structured to provide a wide array of options, as well as alternatives for those with dietary restrictions such as gluten-free, dairy-free or vegan.

For **\$29 per person\***, we will provide:

- two different salads, either green or grain
- a selection of 3 of our wonderful sandwiches and/or protein plates
- a generous bowl of fresh fruit and berries, as well as a freshly baked dessert.
